

Our Rock Project™
Kids Teaching Kids

Film Festival

Welcome to the 1st annual Our Rock Project Film Festival.

- The festival is open to Elementary, Middle & High School students.
- Films must be less than 20 minutes long.
- Film topics must be about some aspect of life on our planet. We're looking for stories about STEM topics and Social Issues that impact you as students. In other words, no zombie or horror films will be accepted.
- All entries must adhere to the Our Rock Project Guidelines found on our website. ourrockproject.org/resources/filmmaking-guidelines/
- All genres of film are welcome: Documentaries, Animation, Narrative, Photo Essay, Stop-Motion, etc.
- Cash prizes to be awarded to the best five film submissions in each school level – Elementary, Middle & High School.
- All films submitted will be hosted in the Our Rock Project Library and shared with students around the world.
- Submit your films here: ourrockproject.org/film-submission-page/

**Please feel free to contact us if you have any questions
or need help submitting your films.**
