Parental Permission Send Home Form

Dear Parent/Guardian,

Your child's class has enrolled in the Our Rock Project and we need your permission for them to participate. You should have received a letter advising you of the school's plan to be a part of this global initiative. If you would like to learn more about the Our Rock Project, please visit our web site at – ourrockproject.org.

It is important to note that the copyright ownership of the film your child produces with their classmates will always belong to them. Even when their film is uploaded onto our website library, your child still maintains ownership of the copyright.

The Our Rock Project is a 501.c.3 non-profit organization and is completely free for your child to participate in. There is no charge to you or the school. We do take donations on our website and appreciate any help you may be able to provide. Your donation will help us provide computers, cameras and internships to schools around the world.

We have posted a link to our Terms & Conditions on our web site's home page. You can access the document via a cell phone, table or computer. By signing below, you are agreeing to the Terms & Conditions of the project and are giving your child permission to participate in the Our Rock Project and that their finished film can be hosted in the Our Rock Project Library.
